Eich of these courses has its advocates anong out elves and, we believe, in Mexico also. It was believed by many who have no fonds can for a monarchical government that the establishment of Miximilian's Empire would confer great benefit by breaking down the factions that have disturbed the peace and kept up Spanish yoke was thrown off. There was also, at the beginning of the war, hopethat the necessity for union against a powerful for would so coveres the various hostile parties as to furnish the basic of a harmonious settlement of the polities of the country in case of his defeat. All these bons have been disappointed, on one hand by the overthrow of the Empire, and on the riter by the renewed outbreak of fierce hostilly among the parties and claimants for power that divided the people before the war. There is at present no prospect of a more favorable turn in Mexican affairs than has exleted for a long time.

Mr. J. P. O'Sullivan, believing that scenes of vislence will ensue on the departure of the the assumption, by our Gevernment, of au arms I protectorate with the assurance to the bave to send us a Binks or a Sherman, with 25,000 men at his back, and then we may get our affices put in good order."

While we want to take any necessary measares to prevent the Mexicaus from renewing Exhibition; they make frequent visits to the and reconcillation to the chair of St. Peter. their rations oiv. I wars, we do not want to be Champ do Mars, closely watching the progress their remois ovel wars, we do not want to be involved in any foreign military complications. This is not necessary; nor, in the absence of civilizing sentiments among themselves or of populations are civilized sentiments. At most of M. Thiers against the emptrois repeated in Parts. COURT OF JUSTICES. - TEE-DAY, May 7. - In the Court, this morning, there was an unusual amount of criminal business.

The first case was State persus John Greece for the larceny of \$40 in correspoy from Frank E. Brow. (The particulars of this care bave already

was arraigned plead guilty to larceny, in August into the Indian country to see the Camarches, Newton of the Agricultural Department is to Arapshoes, and other tribes, after which he will his suspended, and that Er-Governor Holbrook Cozzans & Co. He was held in the sum of \$500 In a communication to the Commissioner of Indifor bis appearance to answer at the May term of an Affalia, the superintendent in Arizona gives an United States soldiers had been hung in Edgefor his appearance to answer at the May term of an Affairs, the superintendent in Arizona gives an the Court of Common Pieas. Demond, who is of account of further outrages by Apaches early in the colored persuasion has worked for the Mesers March.

Correspondence than a year past, and his peculations are supposed to have extended through more than balf that time. We shall see directly what R. I. disposition be made of his plander.

Prudence S mpson was arrainged and plead not guilty to a charge of aiding in connecting goods knowing the asms to have been stolen. She was adjudged probably guilty and bound over to the May term of the Court of Common Piecs in the sum of \$500. Produce, who seems not to have averefied ordinary produces in this matter, has morked a year past at the Perry House, and it was partially resumed-ducder such temporal her trunk at the above house that the goods were found consisting of a splendid slik dress pattern valued at 30, and a long shawl valued at \$12, there are adopted insisting on the recognition of eight lawrs as a legal day, a work, deprecating the first bands and killed fifty four Indians, and was not stored. An expedition to the Black Mountain had met sevence, and expressing willingness to accept cight and a long shawl valued at \$12, hear received from Demond. guilty to a charge of siding in concealing goods

Frances Johnson, alias Frances Perry, and Elizabeth Johnson, alias Elizabeth Perry, were arraigned on a cimilar charge to the above, to which they plead not goilty. They were adjudged probably goilty and bound over to the May term of the Court of Common Pleas in the sum of \$800 each. These parties were sisters, and a very agreeable, and for a while profitable intercourse seems to have existed between them and Demond. The articles found in their possession and identified by only so small a reduction of wages that employers the Mesers, Cozzens as their properly, embraced refuse the terms. No sections disturbance to the the Mesere. Cozzens as their properly, embraced quite a variety of articles of female attire, which industrial interests of the city is apprehended. It consider the present state of siffairs growing attieve averaged were presented to them by Demond within a short time.

The mesence that working for the Mesere.

The mesence are expected to be smiceably settled out of the passage of the eight hour law. A milbin a short time. rol madt seedarch of beldeus need bed ed enexco

Mariss Matters.-Oopt. Timothy Peckham has cold his sloop Teazer, 13 tons' built at liristol in IS57, to Capt. Benjamin Tallman, of Portsmouth, for \$800. She will be employed by Capt. Tallman in the fishing business in and shout Nar-

quisition is assigned to William Gibbs Peckbam, of this city. His theme is, Recent Essays on University Reform.

THE STEAMER.-The Board of Firewards baye contracted with the Ameskeag Company, of Manchester, N. H., for the manufacture of the new steam fire engine ordered by the city.

MUSICIPAL .- The regular monthly incetting of the City Conneil will be held this evening.

Fall R va-

The News says Mr Charles E. Case is erecting a fine bouse, for a private residence, on the corner of Rock and Gank streets. It is about 35x41 feet two stories bigh, with hip roof, and wide piezzas on two sides—west and sooth.—It will be an orange to that part of the city in which it is located. Mr. Perry G. Case, of the fine of Case.

FIRZL.—The great Sec. 2014

82 feet, two stories high, and will contain three or foor tenements.

Mr. Sauthworth is also building for himself, on

tenements.
Messre, J. M. & T. B. Earle have recently con-

tracted for the erection of a four tenement house, two stories, 25x48, on Bank street east of Oak.

Nearly all of the laborers on the Merchants'

mill, at Fall River, who strock on Thursday, have resumed work at the old price.

The Fall River Arms says Mrs. Howe has resovered a verdict of \$1278,01 against Dr. Baroes of Mathora, as damages for malpractice, the defendant having attended upon Mrs Howe, who had a hardway arm

RESIGNATIONS .-- The pasters of four churches in Boston resigned their pulpits last Sunday : Revs. Baron Stowe, S. W. Foljambe and Warren Randolph, Baptists, and H. M. Dexter, Congregationalist. Drs. Stowe and Dexter do not enter other parishes. Mesers. Randolph and Foljambe go, the former to Philadelphia and the latter to Albany. Dr. Dexter, it is understood, will become the editor of the Congregationalist. Rev. Mr. Thwing, paster of the Congregational Church, Quincy, tendered his resignation on the same day, on account of impaired bealth.

On Thursday of last week, Mr. William Pierce, who resides on Wood street, was crossing the Common while the Bristol Base Ball Glub were playing a game, and was bit on the head near the temple with a ball, injuring him severely. The blow prestrated him, but he was finally able to walk home Without assistance. Bristol Phenix,

INDIAN HOSPICITIES.—The St. Louis Democrat's Correspondent with Gen, Hancock's Indian expedition, writing from Fort Dudge under the date of April 28, says Gen. Harcook held a council yesterday with some of the leading Chiefs of the Etowas et which the latter enruently declared for psace and promised to allow their young men to act as guides and ecouts in the federal service. Gen. Bmith's Brigede will remain here to guerd the Santa Fe road. The 7th Cavelry will act as pairols in the serrounding country. Mechanics and isborers at a to creat strong baildings for eigbeen given in our columns) Greece was solvedged to protect the mails will be kept. 'The Cheyeunes ported to be for the purpose of obtaining adpreciably guilty and bound over to the May term have gone south of the Arkansas River, and all the vice as to the heat means of defence against James W. Demond, alias James W. Perkins, condition of affairs. Gen. Hancock will go south more to-night is one to the effect that Isaac more to reach the Camanches.

Broad street, Providence, R. I.

A FUNNY BUSINESS.-The firm of Edwards & Griffin were lately brought before Court in Chicago, on the charge of being vagrante, when one of them made the following revelstions:

Tallman in the fishing bosicess in and short Narragangett Usy.

Out, Peckham has been appointed to the U.S. Engineer Tender Antelope of 35 tens, attached to the Eogineer Tender Antelope of 35 tens, attached to the Eogineer Department in this vicinity. He commanded, for some years, one of the terry boats between this city and Jamestown, is no hones, industries and stirling man, and well worthy the confidence which has been reposed in blue to this engaged, one of us says to her: We stronger the fact abroad. Whenever the other two of as its considered as sugged to her. We tronger the fact abroad. Whenever the other two of as meet a young man who is not sugged, we say what a locky dog Griffin is! He has won Miss X. The fan of the death of Mrs. tusan E. Ambruster, ci this city, was published on Saturday. It was afterwards reported that she committed suicide by taking points and there are circumstances tending to confirm this rumor. Mrs. Ambruster was of Americans of the tried for breach of precise of meets of the court.

These two genterman and myself are the tirm of Einstells degrine. We are proposers. It was proposers. It was a proposed to young ladies and help to get them mariled. We are broposers. It was not a meet a young ladies and help to get them mariled. We are broposers. It was a proposer to young ladies and help to get them mariled. We are broposers. It was a proposers to young ladies and help to get them mariled. We are broposers. It was a proposers to young ladies and help to get them mariled. We are broposers. It was a proposers to young ladies and help to get them mariled. We are broposers. It was an in the Eight and help to get them mariled. We are broposers. It was an in the mean we proposers to young ladies and help to get them mariled. We are broposers. It was a proposer to young ladies and help to get them mariled. We are broposers. It was an to an out of the court was an intervent of the court in Stranberry dosed the argument in the Eight and Mississippi injunction cases.

Perintion of Jeth Pari pon, and there are circumstances tending to coufirm this runner. Mrs. Ambruster was of America
oan parentage, and her husband is a German.

He has been absent from the city for some time,
but is expected to return some.

STRAW MAITING cheap at THE BLUE STORE, Providence, R. I.

WEATHER SIETS IN THE MEY.—The British Board of Traile has published for the heacht of sea faring men the following: The colors of the sky at different times afford wonderfully good guidance. Not only does a bright encest precage fair weather, but there are other timts which speak with clearness and accuracy. A bright yellow color in the evening indicates whot; a pale yellow, wet; a nearral gray constitutes a favorable sign in the evening—as unlavorable sign in the evening—as unlavorable sign in the cycling—as unlavorable sign in the morning. The clouds are full of meaning in themselves. If they

nament to that part of the city in which it is located.

If Perry G. Case, of the film of Case, Spaces & Allen of Newport, we understand, as to be the work of the lower class of eight-hour charge of the carpenter work.

Mr. Spaciding Son hworth has commerced the erection of a boase on the corner of William and frequency of a boase on the corner of William and the erection of a boase on the corner of William and the state of the lower class of eight-hour men. All day Saturday they were visiting these erection of a boase on the corner of William and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of will contain the corner of the lower class of eight-hour men. All day Saturday they were visiting these erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of william and the erection of a boase on the corner of the erection of a boase on the corner of the erection of the erectio Firet. -The great fires at Chicago are supposed are now being exore in as special police, when so CHOICE SOUTHERN HOMINY & SAMP desired by employers The feeling is very strong, Third street, a two story house, to contain two but the law will be vindicated. Should these fires Sole Agts for the Society of Shakers continua a vigilance committee is not improbable. Sanday bee been quiet.

> Governor Fenton of New York is about making s tour over the State, visiting the prisons and other public institutions. It is possible that be will make a firing visit to Europe, and be present at the great Paris exhibition. His residence is in Jamestown near Lake Erie in the extreme western portion of the State.

MERCH practice. He has sheet two ordered it for the Hoppital where he was steet two ordered it for the Hoppital where he was steed oned. Other physicians have inchased it, and have used it in practice with great success. When the propieter twed in New Hamp slice, at G. fluown Centre, for the space of thirty or forty mitts around, and in Manchetter particularly, the Humon Doctor was well known and highly at use for the namerous had wonderful cures which it effected. Though manifectured in large grandifies, the supply was requestly exhausted, and purchasers had to wait for more to be made. In that region, some very extre exists of engineers were rested with it, and they were cured. Engineers were rested with it, and they were cured. Engineers were restrictly removed, wherever this medicane was fathfully used Bott was with Scrofulo and Satt Rheum. The Humor Doctor cured them.

Since the Propieter's removed to Malacce.

Bott was with occupies and one process. The read we booker creditions.

Since the Propeletor's removed to Meirose, Mass., his present residence, he has been regularly selling it to patients who have applied to him in person, and has been very enece of all in relieving and curing them. One case of Enyshey sa-of on oid man 174 ets-mit worth mentio-bug in particular. When he came to the Doctor's office he could only were a pair of the root of the bottor of the he could only were so wood to and some. When he pulled off his socks the coale come with them, and the raw, bleeding feet, were righthat to behold. Seffice it to say, that less than one down bettles of the Homer Doctor (and in a few works) healed up there feet and ancies, so that they wan smooth and apparently cound. The man wore books withwast incorrections. Numerous cases of rivaries its first face have been treated with this medicine, to the other cardiection of them. In Meirose slates, there are more than a handred persons who have there are more than a handred person who have used the Huwer Doctor, and give it an excellent used. In all the towns around it is well known and

approved,

For the sake of showing what is thought of it, a
few testimonists are here leverted;—

MILTON GALE, ESQ., Bocton,

Militor Galis, Ecc., notion,

I herely certify that I was corely affected with
boils for two years, developing themselves upon my
lambs and other write of my body. The sufference
which I indured from them accindiscribitle. Suffice
it is eas, it it I faithfully tried everal of the most
populse hamer remedies, but wittent removing the
affect on. At leight, by the carnest in queet of an
inchinate friend. I was induced to try Dr. d. W. Poland's Hamor Dictor and am happy to attest that all
my boils were isomoved, and my health was restored
by using Dr. Poland's aforesald medicine.

Militori Galis.

Beston, January 11, 1866.

Beston, January 11, 1866.

A. C. WALLACE, ESQ., Manchester, N. H.

Dr. J. W. Poland. Dear Sir.—I very cheerfully give my testimony in favor of your Humor Doctor, as an excellent remedy for Humors. My nun crossing it in my la Manchister krow how severely massificated with boils, and they know how perfectly good my bruth has present. Your Humar Ductor cared my. Please refer to me for particulars in my case,

Manchester, N. H., Jone 11, 1856.

MRS. WHEELER, Stoneham, Mass.

I very confidently and carnestly recommend Dr. J. W. Poland's Humor Doctor as an excellent temedy for finmora, having been wonderfully benefited by it myrelf. 'My own case was a very serve and obtil ratio one. For more than two years like kin upon the buside of both my hands, and evan down on the wist was constituty cracked and bocken up, so that I was mable to use my hand in any kind or wet work, and was chlige to wear gloves in sewing to artifer the blood upon my work. The humor which so will tell me was probably a combination of Erysinelas and Balt Rhum My general health was quite poor. Soon after I began to use the Humar Doctor, I could perceive signs of healing. I confined to take the medicine till I was finally cured. My hands are now perfectly free from immos, and te all appears my whole system is clear of it, and has been for exercial months. I need sugar appropriate for all felt eafe to give it entirely up, but they cardine. HARRIET WHEELER.

Blonebur, Mass., July 5, 1853.

MRS. PORTER, Doyer, N. H.

Dover, N. H., July 22, 1955.

Dover, N. H., July 22, 1955.

Dr. Poland, —I received your letter ingaining as to the effects of your meditine on seaslekters. I sam bappy to say that I think it is 'the medicine' to thickness in the found none that settled the stoomer hand eccured the head like the Hunter Doctor. I felt as though I ould bardly wait to get achieve, to enterst you to income a winter the peadaffer above, that I may find its way to those who enfer upon the mightly dup from rea sickness. If captains who take their families with them, or carry passengers, should try it for once, they would never be willing to voyage without it.

It.

I have used it in my family since its introduction to
the public; for billious habits, headache, and humor
about my children, and have always found its sur-

Itters and Glaziers, the most found of having my name appear in public, and would not consent to fitten any account but less the promptine and in the very best manner, and have been in a fall exportment of the profile to you or to the public, you can make use of it.

Price 75 cents per Bottle-This levaluable Medicine will be prepared for the present at the
